Cookie Policy

Key Solutions Polska Sp. z o.o. · www.key-ces.com

Effective date	13 October 2026
Last updated	13 October 2026

1 What are cookies?

This Cookie Policy explains what cookies are, how we use them, the types of cookies we use (i.e. the information we collect using cookies and how that information is used), and how to manage your cookie settings.

Cookies are small text files used to store small pieces of information. They are stored on your device when a website loads in your browser. Cookies help ensure that the website functions properly, enhance security, provide a better user experience, and analyse performance to identify what works and where improvements are needed.

2 How do we use cookies?

Like most online services, our website may use both first-party and third-party cookies. First-party cookies are primarily necessary for the website to function properly and do not collect any personally identifiable data.

Third-party cookies, if used, help us understand how the website performs, how you interact with it, keep our services secure, and improve your experience on future visits. Any cookies other than necessary cookies are set only after you have given your consent in the cookie banner.

3 Types of cookies we use

Necessary

Necessary cookies are required to enable the basic features of this site, such as remembering your language or your consent preferences. These cookies do not store any personally identifiable data and do not require consent.

COOKIE	DURATION	DESCRIPTION
pll_language	1 year	Set by Polylang to remember the language selected by the user when returning to the website, and to obtain language information when it is not available in another way.
wpEmojiSettingsSupports	session	Set by WordPress when a user interacts with emojis on the site. It helps determine whether the user's browser can display emojis properly.

cookieyes-*	1 year	Set by CookieYes to store and manage the user's cookie consent preferences.

At present our website uses necessary cookies only. If we introduce functional, analytics or marketing cookies, they will be listed here and will be activated only with your consent.

4 Manage cookie preferences

You can change your cookie settings at any time using the **Consent Preferences** button or the cookie settings icon on our website. This reopens the cookie consent banner, where you can update your preferences or withdraw your consent with immediate effect. Withdrawing consent does not affect the lawfulness of processing carried out before the withdrawal.

In addition, browsers offer various ways to block and delete cookies. You can adjust your browser settings to block or delete cookies; note that blocking necessary cookies may affect how the website works. Support pages for the main browsers:

BROWSER	SUPPORT PAGE
Google Chrome	support.google.com/accounts/answer/32050
Apple Safari	support.apple.com/guide/safari/sfri11471/mac
Mozilla Firefox	support.mozilla.org/kb/clear-cookies-and-site-data-firefox
Microsoft Edge	support.microsoft.com – "Delete cookies in Microsoft Edge"

If you use a different browser, please refer to its official support documentation.

5 More information

Information on how we process personal data, including your rights and how to contact us, is available in our Privacy Policy at www.key-ces.com.
